

YOUR LIVING SIGIL by Albert R Juarez 2023

(please, have a writing utensil and paper, thank you)

What Is A Sigil?

Well, from what my home girl Wikipedia done said and girl, you know she knows everything.

“A **sigil** ([/ˈsɪdʒɪl/](#))^[1] is a type of symbol used in [magic](#). The term has usually referred to a pictorial [signature](#) of a [deity](#) or [spirit](#). In modern usage, especially in the context of [chaos magic](#), sigil refers to a symbolic representation of the practitioner's desired outcome.” [Sigil](#) ← *Wikipedia*

I started to think about sigils only just two years ago in 2021. I heard that term used over and over in conversation within some of my social circles; “Aww Hellz Yeah Witches, you know who you izzz!”

And then, Light Blub, Duh, Holla, Hello, Ohh Emm Gee, For Real For Real, it hit me.

We are surrounded by “**Sigils**” and They Tell Us What To Do! AND WE DO IT!!!

The Sigils Are Controlling Us! We Are In The Matrix ... and I wanna be Neo! Hey Keanu!

But ...

What if we could harness that power the sigils have over US!? What if we could create and use our own personal imagery to benefit Ourselves? We are living entities, just like the companies that run the World; and WE deserve our Abundance and Prosperity too! Like For Real though, Right?!

But on the For Real, For Real sigils are all over the place. Countries, schools, churches, political parties ... and don't even get started talking about the retail marketing that calls out to our dollars every day! And We Spend!

Again, what if we could embrace that power, what if an image could give you that power, what if that image was something you dreamt up, something you created, something you designed, something you gave life to?

This is the day y'all and now is the time. Welcome to Your Living Sigil! Now, Let's Get Started ...

This process for creating sigils is not new in any way, shape, or form, I mean people have been doing this forever; but the end result part is definitely different, and the difference is YOU! Just stick with me.

Right Now, think of some you want! I don't care how big or small, if it is a person, place or thing, or a feeling or quality ... it's all up to you. Just make it something easy, but RIGHT NOW! Even if only one word comes to mind.

This is my example “**I AM A MONEY MAGNET**” – that statement is the inspiration for this talk, and it is the base of a power that we can all put into practice, right now, today but it can also be a repeated go-to tool, as sharp as ever!

The Formula: write down a short and sweet statement of what you want in the now; { I AM A MONEY MAGNET } this is a quality that I want to embody or a powerful command I speak to help me achieve my goals.

I A M A M O N E Y M A G N E T – now, drop all vowels and repeat letters – M N Y G N T now, create!

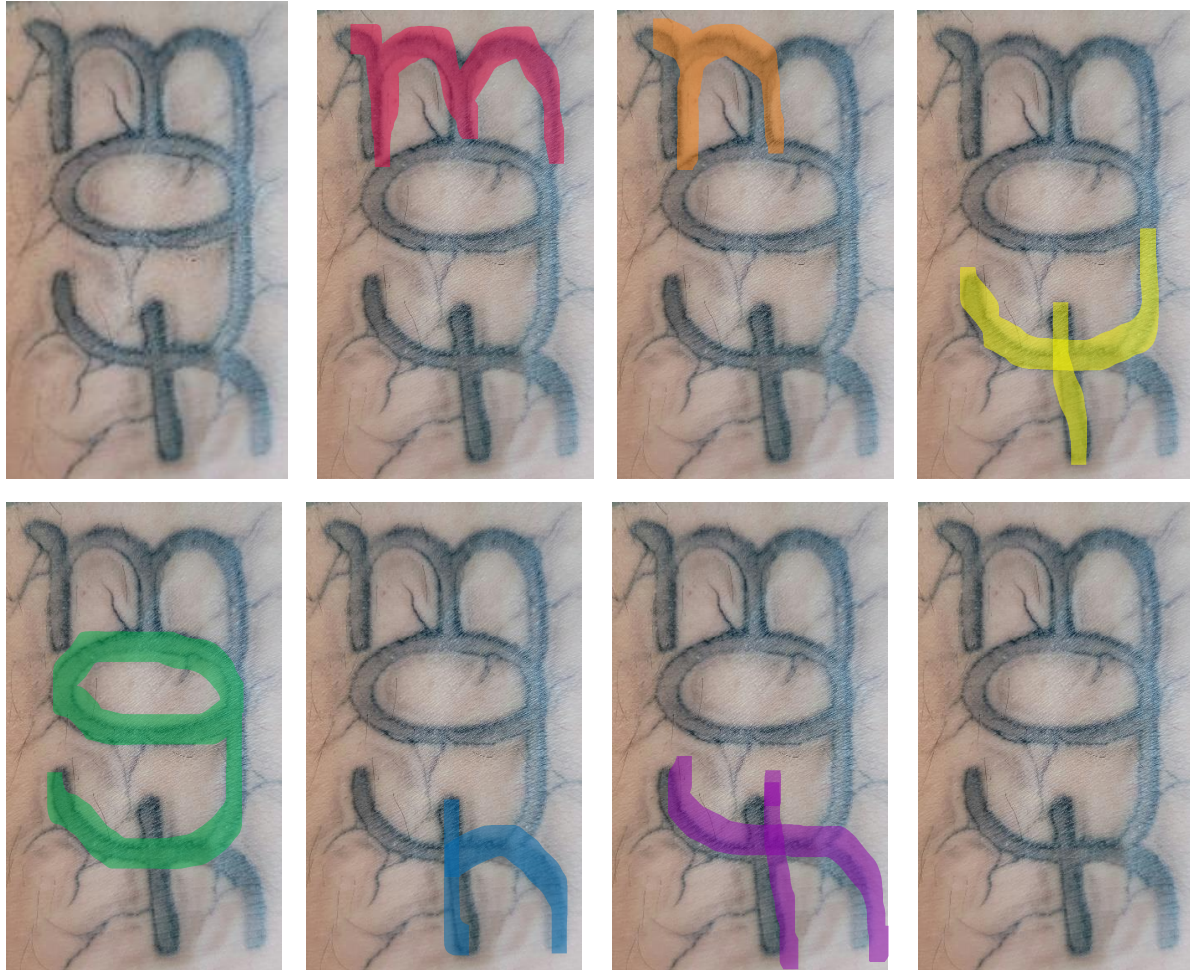

Here is where YOU come in. You are the Magical part of this creativity, here's where you'll add your energy to birth a visual of your strength and power!

Take the remaining letters and create a piece of art. Place the letters in a configuration that Feels and Looks right to you. Use your instincts, intuition, and heart to guide you in creating a feel-good piece of artwork that is alive with your power, your energy and together you will achieve the end results of your hopes and dreams. This is a practice that is as powerful as you make it. The Results Are All You!

On the next page you'll see how I used this very formula to put together an image I love, love, love!

I loved the image I created so much from the six letters that I got a tattoo on my right wrist. I placed it on the inside of my wrist in a receptive mode so that the energy I was seeking would find me when I needed it. In the pictures below I show you my artwork as my tattoo, then I break down the picture / tattoo so you can see all the letters of my command { I AM A MONEY MAGNET } represented in the sigil and as a result why it is so important and powerful so that you can create almost anything you want. Well, now you have learned how to make a custom sigil that you will fill full of your magic and energy to achieve your Prayers, Hopes, Dreams, Goals and Achievements.

Here is { I AM A MONEY MAGNET } in action M ... N ... Y ... G ... N ... T

The Living part of this class is YOU, let your imagination go wild with ideas of how YOUR LIVING SIGIL can be an active part of your life. Tattoo. Candle. Logo. Stickers. Letterhead. Paintings. Mantra. It Is Your Brand Now. It Is YOU!

Thank you for spending this time with me and allowing me to share something special with you, in my eyes anyway. This is only an example of something that works for me. Please try / use this method to create your own Magic.

Love, Hugs and Peace
